Christ Church 2nd Street above Market Street
Phila deephia Pa

Gentlemen

I desire to donate to your church (of which I have long had the benefit of membership) Certain Securities Value Five Thousand dollars.

I desire that the income of this Sum shall be paid to Revd Dr. E. A. Foggo. Rector Emeritus for and During all the term of his life, and hope he will do me the honor to accept it in this way

After his death I would prefer that this Sum should be held for the support (the income only) of the Clergy officiating at this Church 2nd Street above Market Street and for no other purpose whatsoever, with the thought and hope that some other person may add to it.

If this meets your views, kindly inform me so that I may arrange matters accordingly

Yours Very truly
Elizabeth A. G. Welsh.
